# ARCHITECTURAL DESIGN CONCEPTS, INC.

*You've probably seen our work and wondered...  
Who was the architect?*

No single decision will more greatly impact the outcome of your project than the choice of architect! For this reason, we would like to sit down with you and discuss in detail the scope of your needs and the imaginative ways in which ADC might be able to meet them.

Of course ADC isn't for everyone. But if you're looking for fresh uncompromising design, backed by a caliber of professionalism and experience that can only exist in a firm completely dedicated to its work, then chances are very good that ADC and you will make excellent working partners!

# SAINT JOHN'S SEMINARY BOSTON, MASSACHUSETTS

## We all have a responsibility to the Church

**Our part** is preparing seminarians to serve in parishes throughout New England and beyond. In addition, we educate lay persons, permanent deacons, and religious through our Master of Arts in Ministry and Master of Theological Studies degree programs.

For over 130 years, we have trained priests who have gone on to share the word of God. We are guided by the four pillars of priestly formation: Human, Spiritual, Intellectual, Pastoral. Our alumni serve the Church daily by administering the sacraments, proclaiming the Gospel, and ministering to parishioners' needs.

Priestly formation is a work of the whole Church.

**Your part** may be helping us with your prayers. It may be inviting a promising young man to consider the priesthood. Your intercession and support help us to fulfill our mission of preparing excellent candidates for ordination.

Another way to help is to consider making a financial contribution. Each gift is an investment in the future of the Church. It assists young men to respond to their vocation from God, it helps form lay leaders for the Church and your local parish, and it nourishes your own spiritual needs. Your generosity is always appreciated, and we thank you for being a part of this very important mission.

## Eastern Catholic Churches

The Roman Catholic Church is a worldwide family of Churches. This family has two large branches — Eastern and Western, and within each of those there are several further groupings.

The Western branch consists of the Latin Church, the Ambrosian Church and the Mozarabic Church. The Latin is the largest of the western churches and of all the Roman Catholic Churches in the world.

The several Eastern Catholic Churches fall into one or another of several large traditions: Alexandrian, Antiochean, Armenian, Chaldean or Byzantine.

Those Eastern Catholic Churches designated with an \* before them have parishes or missions here in the archdiocese and are listed on the following pages. While each is within the territory of the archdiocese, each has its own eparch (diocesan bishop).

## CLIENT TESTIMONIALS

Now that the Rectory construction is complete I wanted to take a moment to thank you for the wonderful design work you provided, not only on this project, but also on the construction of the kitchen and the lower church. ... I believe any parish or school will be fortunate to have you serving as their architect or planner for their projects.

**Father Christopher Hickey,  
Holy Mothers Collaborative**

We couldn't be happier with our new Math, Science and Technology Wing and over all renovations to our campus. Internally our school looks brand new. I highly recommend Steve Habeeb and his Associates from developing your Master Plan through completion of the final project. They were always available for any unforeseen circumstances. The staff is highly professional and wonderful to work with.

**Sarah J. Adanti, Advancement  
Director, East Catholic HS**

...Our experience with Habeeb & Associates has been very positive. The initial assessment was honest and complete. The design for the addition is well done and works well with the existing building. Deadlines are always met...

**Sister Barbara A. Barry,  
SNDdeN, President  
Notre Dame Academy**

Our experience in working with you has been very positive. Starting with the Master Planning Process, and moving through design to construction you and your staff provided us the leadership, direction and professionalism that we were looking for.

**Steve Glasser, President  
Trinity Jr/Sr High School**

## Thank You.

St. Peter's Basilica, Vatican, is the largest church in the world. Its size creates special challenges for an organ. Large scaling of an instrument creates excessive volume near the organ, but still not enough to fill the entire sanctuary. The Vatican chose an Allen Organ with a flexible audio solution to resolve this challenge. During the 2017 Christmas Eve celebration, a new Allen GeniSys Organ was used throughout the Mass, as heard worldwide in a live telecast.

Allen Organ Company has installed organs in many prestigious institutions. Now, including the Vatican on the top of this list is humbling.

I offer a huge "thank you" and congratulations to all involved in the many efforts and events over the years that led to this amazing story.

Sincerely,

Steven A. Markowitz, President  
Allen Organ Company

EXCELLENCE IS WORTH MORE

The Pilot is an important voice in the public square that brings you the Catholic perspective on current events.

Inspired by the vision of our publisher, Cardinal Seán O'Malley, The Pilot covers it all — from in-depth reporting on Pope Francis to the good works of Boston parishes.

Each week, The Pilot brings you the stories of Boston Catholics who bring the Works of Mercy to life on a daily basis.

- Feed the Hungry
- Visit the Imprisoned
- Bear Wrongs Patiently
- Give drink to the Thirsty
- Bury the Dead
- Forgive Offences Willingly
- Clothe the Naked
- Instruct the Ignorant
- Comfort the Afflicted
- Shelter the Homeless
- Counsel the Doubtful
- Pray for the Living & the Dead
- Visit the Sick
- Admonish Sinners

Proclaiming the present Holy Year of Mercy, Pope Francis said he wants to make it evident that the Church's mission is to be a witness of compassion. "Let us not forget that God forgives and God forgives always," Pope Francis said. "Let us never tire of asking for forgiveness."
